

## professional experience

### FREELANCE

[www.evafontana.com](http://www.evafontana.com) // 2002~PRESENT

I work as a Freelance **Graphic and Web Designer** since 2002. I'm in charge of all steps a project needs: meet clients, work on drafts, edits, design, programming, prepare files to print, upload websites and, sometimes, as a psychologist of my clients too.
